

SNSNET PROJECT – TERMS AND CONDITIONS

1. Introduction

By accessing or participating in the SNSNet presale or using any services offered by the SNSNet ecosystem, you agree to comply with and be bound by these Terms and Conditions. These Terms apply to all users, contributors, and any individual interacting with the SNSNet platform.

2. No Refund Policy

All purchases of SNS tokens are final and non-refundable. SNSNet does not offer refunds or compensation under any circumstance, including but not limited to changes in token value, development delays, lost access, or dissatisfaction. By participating in the presale or engaging with SNSNet, you acknowledge and accept this policy.

3. Eligibility

To participate in the presale, you must be at least 18 years old. By engaging with SNSNet, you confirm that you are legally permitted to do so and are not a citizen of any jurisdiction where participation in token sales is restricted or prohibited.

4. Risk Disclosure

Investing in digital assets carries significant risk. SNSNet does not guarantee any profits or returns. By acquiring SNS tokens, you understand the speculative nature of the investment and assume all related risks independently.

5. Token Utility

SNS is a utility token created for exclusive use within the SNSNet ecosystem. It does not represent ownership, equity, or securities in any organization. Possession of SNS tokens does not grant any rights to dividends, governance, or profit-sharing.

6. Project Modifications

SNSNet reserves the right to alter, suspend, or discontinue parts of the platform or project at any time without prior notice. These Terms may be updated periodically, and continued use of SNSNet indicates your agreement with any changes.

7. KYC and Regulatory Compliance

You may be required to complete Know Your Customer (KYC) procedures. SNSNet adheres to international compliance standards and reserves the right to restrict access based on legal or risk-related factors.

8. Availability Disclaimer

SNSNet does not guarantee uninterrupted availability of its platform or services. Temporary downtime, technical issues, or external disruptions may limit access without notice.

9. Limitation of Liability

SNSNet, including its team and affiliates, shall not be held liable for any direct or indirect loss, data breaches, financial damages, or disruptions arising from your use of the platform. You access SNSNet at your own risk.

10. Intellectual Property

All content, branding, code, and visuals related to SNSNet are the intellectual property of the project and may not be copied, reproduced, or reused without explicit written permission.

11. Community Code of Conduct

Users must behave respectfully across all SNSNet communication channels. We reserve the right to suspend or remove participants who exhibit abusive, deceptive, or disruptive behavior.

12. Governing Law

These Terms are governed and interpreted under the laws of the jurisdiction selected by the SNSNet team. Disputes arising from your interaction with SNSNet will be resolved under this jurisdiction.

13. Force Majeure

SNSNet shall not be responsible for delays or failures caused by events beyond our control, such as natural disasters, war, regulatory changes, cyberattacks, or infrastructure failures.

14. Indemnity

You agree to indemnify and protect SNSNet, its developers, and affiliates from any legal claims, losses, or damages resulting from your breach of these Terms or misuse of the platform.

15. Entire Agreement

These Terms represent the full agreement between you and SNSNet, replacing any prior communications or understandings.

By proceeding with your participation or acquiring SNS tokens, you affirm that you have read, understood, and accepted these Terms in their entirety.
